# Add Ons

Are you tired of using the same old themes for your parties or files? Look no further than our growing collection of add-ons! With a variety of themes to choose from, you can easily switch up the look and feel of your event. Whether you're planning a birthday party, a corporate event, or simply want to give your files a fresh new look, our add-ons can help. our collection includes over 50 Character inspired themes and more!

**1. Start by gathering all the necessary materials you need for the project, including the files you want to cut and assemble, a cutting mat, a craft knife or scissors, and any add-ons you want to include.**

**2. Next, cut designs with your machine**

**3. Attach any add-ons you want to include.**

**4. Once your add-ons are in place, begin assembling the main pieces of your project. This may involve folding, gluing, or attaching pieces together with adhesive tape.**

**5. Enjoy your finished project!**
